

Building homes to build community

**Wednesday 25th October 7pm  
at the Guildhall in Helston**

# JOIN US

**For an evening to explore the future  
of community led housing in Cornwall**

Ambos is looking to promote the growth of Co-housing in Cornwall using an innovative model called a Mutual Home Ownership Society (MHOS). We are preparing to launch the first of it's kind in Cornwall and we invite you to take a look at its potential to help shape how we provide enough, high quality homes for people living in Cornwall.

Hosted by David Potter (Councillor for Helston) with a presentation from Miguel Fernandez (Design Champion for Ambos), the evening will offer a platform for discussion and solutions seeking, maybe even a cup of tea. See you there!
