TRANSITION  
*Penwith*

# Food in Friendship

If you are interested in sourcing local, organic, and ethically-produced food then join us on February 7th to:

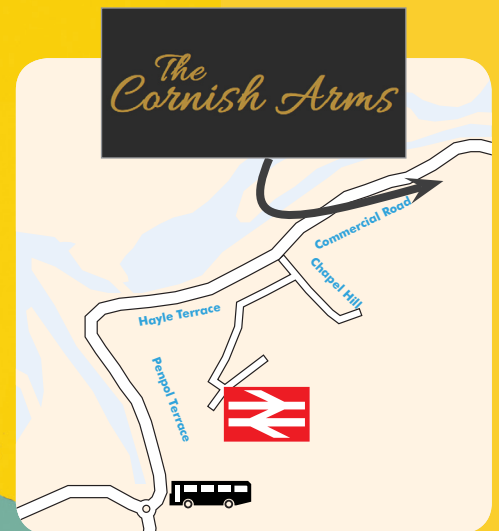

- hear about The Bude Food Assembly
- share ideas about other options – such as the Incredible Edible movement
- hear from growers, producers and sellers how the present systems work (eg Farmers' Markets)
- link up with those who support vulnerable folk

**Come and join us – it's free!**

We're on Facebook as
